

# Hooked On You

## Dream Street

Versel:

Oh! Yeah yeah!  
Everytime you come around me  
I get strange  
Shivers up my spine..  
Ever since the day you found me  
I cant seem to think  
A single thought thats mine..  
I never met a girl who treats me like you do  
Or makes me feel so  
Outta control  
You take me up and then you tear me down  
I oughta run away  
But i dont wanna go (Oh yeah!)

Chorus:

I'm hooked on you  
No matter what I do  
I got it bad but i like it like it  
I'm hooked on you  
On everything you do  
I wanna give you up but baby  
I'm hooked on you

Versel2:

You know i'm hooked on you  
(Whoa yeah)  
Here we go!  
You dont know what you do to meh..  
When i watch you dancin' on the floor  
Baby you act like you see right through meh,  
Like you never even  
Seen my face before!  
And then you turn around and ask me for a ride  
You got me so confused now baby!  
Why do i love you?  
I'll never understand  
I oughta run away  
But I can't let go!  
Ooh yeah!

Chorus:

I'm hooked on you  
No matter what I do  
I got it bad but i like it like it

Girl, I'm hooked on you  
On everything you do  
I wanna give you up but baby  
I'm hooked on you! Bridge:  
I like it I like it  
Oh yeah!  
Here we go!  
(Rap)  
I'm hooked on you baby cant you see!?  
But I dont understand the things you do to me!  
You use me, confuse me, and thats not all!  
You build me up just to watch me fall!  
I try, to find another love  
I try but I just cant get enough of ya!  
Ya know its true  
Baby baby I'm hooked on you!  
(end of rap part) I've never met a girl who treats me like you do  
Or makes me feel so...  
Outta control..  
Why do I love you!?  
I'll never understand  
I oughta run away  
But I dont wanna go!  
Ooh yeah! Chorus:  
I'm hooked on you  
No matter what I do  
I got it bad but I like it like it  
I'm hooked on you  
On everything you do!  
I wanna give you up but baby I'm hooked on you!  
I'm hooked on you  
No matter what I do  
I got it bad but i like it like it  
I'm hooked on you  
On everything you do  
I wanna give you up but baby...yeah! (Rap)  
I'm hooked on you baby can't you seeee?  
But I dont understand the things you do to me!  
You use me, confuse me, and thats not all!
