The Only One

Hot Chelle Rae

It's like technicolor in black and white
I felt like a boxer without a fight
A night in Vegas without all the lightsBefore you
I could only see as deep as the skin
Before you
I never thought I could let anyone in
Before you
I was waiting for my life to beginYou are, you are the proof
that love is beautiful
You are, you are the truth
something unusual
You are, you are my fire
you're burning like the sun
You are, you are, you are
you are the only oneMy walls are falling and my white flag is high
I've surrendered to the feeling inside
I look in to your eyes and rewindBefore you
I could only see as deep as the skin
Before you
I never thought I could let anyone in
Before you
I was waiting for my life to beginYou are, you are the proof
that love is beautiful
You are, you are the truth
something unusual
You are, you are my fire
you're burning like the sun
You are, you are, you are
you are the only oneHand on my heart, feel how my heart beats (heart beats)
Hand on my heart, feel how my heart beats (heart beats)
(You are) Hand on my heart, feel how my heart beats (heart beats)
(You are) Hand on my heart, feel how my heart beats (heart beats)You are, you are the proof
that love is beautiful
You are, you are the truth
something unusual
You are, you are my fire
you're burning like the sun
You are, you are, you are
you are the only oneYou are, you are the proof

that love is beautiful
You are, you are the truth
something unusual
You are, you are my fire
you're burning like the sun
You are, you are, you are
you are the only one
