

The Waitress

Waifs The

So I want to kill this waitress
She's worked here a year longer than I
If I did it fast, you know it's an act of kindness
 But I believe in peace
 I believe in peace, bitch
 I believe in peace
 But I believe in peace
 I believe in peace, bitch
 I believe in peace
 I want to kill this waitress
 I can't believe this violence in mind
 And is her power all in her club sandwich
 But I believe in peace
 I believe in peace, bitch
 I believe in peace
 But I believe in peace
 I believe in peace, bitch
 I believe in peace
 I want to kill this killing wish
They're too many stars and not enough sky
 Boys all think she's living kindness
Ask a fellow waitress, ask a fellow waitress
