

No Respect

Torchur

Respect
 Always everybody looking for some
 Respect
 Who do you think you're gonna get it from? Respect
 Anybody here deserving of none
 Respect
 So tell me, what makes you think
 You're not the one No respect, no respect, none
 No respect, no respect, none
 No respect, no respect, none
 No respect, no respect, none Respect
 Why be concerned with public adulation
 Respect
 Pat on the back crying for attention Respect
 Finding out what it really means to me
 Respect
 Honor comes only after humility No respect, no respect, none
 No respect, no respect, none
 No respect, no respect, none
 No respect, no respect, none No respect, no respect, none
 No respect, no respect, none
 No respect, no respect, none
 No respect, no respect, none No respect, no respect, none
 No respect, no respect, none
 No respect, no respect, none
 No respect, no respect, none No, no, no, no, no
 No respect
