James

Blue October

Kneel down
Close your eyes
Hit the ground
I want you to, to kneel all day
Alone in this desolate cave
So I said
Scream if you want to
Cause no one is around
I want you to
To scream all day
Cause there's eleven words that I've rehearsed to say
And I say
How I love to hate you! [repeat]
You're
not so brave

When I'm the snake
And you're my prey
Let me tell you I'll eat all day
Alone in this desolate cave
So I say
Squeal if you want to
Cause no
no one is around
I want you to
To squeal all day
Cause there's eleven words that I've rehearsed to say
And I say
How I love to hate you! [repeat]
James, how I love to hate you
Oh, how I love
How I love to hate you...
