

# The Black Art of Deception

## Goatwhore

Advisory - the following lyrics contain explicit language:

Bastard Christ Second comign of sacrifice Release my chained hands No more virus of your worship Thrust of  
nails Into these wrists Sworn to death Reign of blood Seize the prophecy of the final sacrifice Great unclean  
soul, Offered in this final murder Hell will raise as the dead king returns from the afterlife Bring forth the death  
of God as the black lord comes to rise Temptation for the fault of man Ruin in the offering of self Valley of the  
exalted Rise before Satan, The new king Bow down to manifest this holy demise of the final Nazarene Creation  
Failed with the birth of man in the image of God Religious icons crushed with the transformation of the feverish  
Faceless messiah with horns of the reborn goat Rise great lord of the dark Kill Christ in final rite  
Behold...Lucifer ion rite of the silver star Call forth the legion of the flame Invoke the wrath of Dagon Black  
sorcery be thy name Falling into the deep sleep of Azrael My blood screams and burns through (my skin) Dead  
Christ Devil's sacrifice Reign of murder Return Unclean Raising the undivine
