

Counting Down the Days

[Natalie Imbruglia](#)

You were right and I don't want to be here if you're gonna be there
Was that supposed to happen? I'll hold tight
I'll remember to smile though it has been a while
And without you does it matter? There's no room, no place to start
When our souls are apart I want to travel through time, see your surprise
I'd hold you so tight, I'm counting down the days tonight
I just want to be a million miles away from here
I'm counting down the days How've you been? It's just the usual here
And days are feeling like years and every day's without you
Now I cry just a little too much when I think of your touch
And everything about you I feel cold, I'm in the dark
When our souls are apart I want to travel through time, see your surprise
I'd hold you so tight, I'm counting down the days tonight
I just want to be a million miles away from here I want to travel through time, see your surprise
I'd hold you so tight, I'm counting down the days tonight
I just want to be a million miles away from here
I'm counting down the days I'm counting down the days, I'm counting down the days
I'm gonna be your surprise, I'm gonna hold you so tight, yeah I want to travel through time, see your surprise
I'd hold you so tight, I'm counting down the days tonight
I just want to be a million miles away from here I want to travel through time, see your surprise
I'd hold you so tight, I'm counting down the days tonight
I just want to be a million miles away from here
A million miles away from here
