

# Last Confession

## The Heavy

Forgive me father for the things that I've done  
The truth, it must be told  
I cheat, I lie, I'm a son-of-a-gun  
I could be deadbeat cold I tried to believe  
I tried to receive ya  
I tried to hold on  
This demon's too strong This is my last confession  
This is my last confession  
This is my last confession  
I'm just too bad to be told  
I'm just too bad to be Hear me mother, your lonely son  
I'm sure you did what you could  
But too much of a poison makes a good man turn to bad  
If I could stop it, oh, I only would I tried to defeat  
I tried to delete ya  
I need you to know  
I need to let go This is my last confession  
This is my last confession  
This is my last confession  
I'm just too bad to be told  
I'm just too bad to be Don't try and save me  
There's no one to blame  
Don't try and save me  
There's no one to blame  
Don't try and save me  
There's no one to blame  
Somebody save me This is my last confession  
This is my last confession  
This is my last confession  
I'm just too bad to be told  
I'm just too bad to be (Don't try and save me)  
(There's no one to blame)  
(Don't try and save me)  
(There's no one to blame)  
(Don't try and save me)  
(There's no one to blame)  
(No one can save me)  
This is my last confession  
(Don't try and save me)

(There's no one to blame)  
This is my last confession  
(Don't try and save me)  
(There's no one to blame)  
This is my last confession  
(Don't try and save me)  
(There's no one to blame)  
(No one can save me)  
(Don't try and save me)  
(There's no one to blame)  
(Don't try and save me)  
(There's no one to blame)  
(Don't try and save me)  
(There's no one to blame)  
(No one can save me)
