

Ocean

Ten Shekel Shirt

Lately, I've been thinking about You
And lately, I've been dreaming of You
And lately, I can't get You out of my head
Get You out of my head, yeah
Something about the ocean makes me rise up and praise
Something about the heavens makes me stand in awe again
Something about the sunrise reminds me of Your faithfulness
Something about the ocean and I'm lost in love again
I'll sing until I sense a smile
Upon Your great and lovely face
And till I know Your glory's in this place
Glory's in this place, yeah
Something about the ocean makes me rise up and praise
Something about the heavens makes me stand in awe again
Something about the sunrise reminds me of Your faithfulness
Something about the ocean and I'm lost in love again
