Runaway

The Adicts

I hear people talk
I see people walk
They seem so out of touch
I wanna get away so muchAll the clockwork toys
Are making too much noise
It's the machinery
It's breaking down, oh can't you seeRun runaway, run runaway
Run runaway with me
Run runaway, run runaway
Run runaway with meThe picture doesn't change
It's just a frozen frame
I wanna break the ice
I wanna go to paradiseThere is nowhere to hide
I'll take you for a ride
But not if you kiss and tell
I don't mean on a carouselWon't you run runaway, run runaway
Run runaway with me
Run runaway, run runaway
Run runaway with meOne day I'm to say my
Three wishes came true
Till then I pretend I'm
Escaping with you, you, you, youRun runaway, run runaway
Run runaway with me
Run runaway, run runaway
Run runaway with meRun runaway, run runaway
Run runaway with me
Run runaway, run runaway
Run runaway with meRun runaway, run runaway
Run runaway with me
Run runaway, run runaway
Run runaway with meRun runaway, run runaway
Run runaway with me
Run runaway, run runaway
Run runaway with me
