

Goodbye (feat. Emmylou Harris)

Steve Earle

I remember holdin' on to you,
All them long and lonely nights I put you through
Somewhere in there, I'm sure I made you cry,
But I can't remember if we said goodbye But I recall, all of them nights down in Mexico
One place I may never go in my life again
Was I just off somewhere or just too high?
But I can't remember if we said goodbye I only miss you every now and then,
Like the soft breeze blowin' up from the Caribbean
Most Novembers I break down and cry,
But I can't remember if we said goodbye But I recall all of them nights down in Mexico,
That's one place I'll never go in my life again
Awh was I just off somewhere or just too high?
But I can't remember if we said goodbye
No I can't remember if we said goodbye
Goodbye
Goodbye
