

Beside You In Time

Nine Inch Nails

I am all alone this time around
Sometimes on the side I hear a sound
Places parallel I know it's you
Feel the little pieces bleeding through

And on

This goes on

And on

And on

And on

And on

And on

And on

And on

This goes on

And on

And on

And on

And on

And on

And on

And on

Now I've decided not to stay
I can feel me start to fade away
Everything is back where it belongs
I will be beside you before long

And on

This goes on

And on

And on

And on

And on

And on

And on

And on

This goes on

And on

And on

And on

And on

And on

And on

And on

Ohh, we will never die

Beside you in time

Ohh, we will never die

Beside you in time

Ohh, we will never die

Ohh, beside you in time

Ohh, we will never die

Ohh, beside you in time
