Mercy Me (Steven's Untitled Rock Show)

Alkaline Trio

It's been a long day, living with this
It's been a long time since I felt so sick
I took a long walk straight back home
I could of walked back to San FranciscoI used to long for time alone
I used to long for a place of my own
And I'm losing faith in everything
I'm lost so lost, I'm lost at sea, you seeI used to long for broken bones
I used to long for a casket to call my own
I never had a problem facing fear
But I'm done, over and out, my dearAnd oh, mercy me
God bless catastrophe
There's no way in hell
You'll ever live to see through this soDrive yourself insane tonight
Its not that far away
And I just filled up your tank earlier today
YeahIt's been a long day, living with this
It's been a long time since I felt so sick
I took a long walk straight back home
I could of walked back to ChicagoI used to long for time alone
I used to long for a place of my own
And I'm losing faith in everything
I'm lost, so lost, I'm fucked without youOh, mercy me
God bless catastrophe
There's no way in hell
We'll ever live to see through this soDrive yourself insane tonight
It's not that far away
And I just filled up your tank earlier today
YeahSo drive yourself insane tonight
It's not that far away
And I just filled up your tank earlier today
Yeah
Yeah
