I Give My Life Away

Myron Butler & Levi

You placed this gift in me
Long before I ever knew
This was my destiny
To give it all back to you

Thy kingdom come
Let your will be done in me
Have your way Lord
This is my heart's earnest plea

I give my life away
To show Your love and grace
My hands to serve
My voice to speak
Abandoning all
It's not about me
This I say
I give my life away

Now that I understand
I will do all that I can
To tell the world about
God's love for every man

Thy kingdom come
Let your will be done in me
Have your way Lord
This is my heart's earnest plea

I give my life away
To show Your love and grace
My hands to serve
My voice to speak
Abandoning all
It's not about me
This I say
I give my life away

It's my joy to serve you
Just because I love you

I choose today
I give my life away
(Repeat)

Give it away
My life today
(Repeat)

It's my joy to serve you
Just because I love you Lord
I give my life away

This I say
I give my life away
(Repeat 2x)

I give my life away
Give my life away
