

# I Walk a Little Faster

[Fiona Apple](#)

Pretending that we'll meet  
Each time I turn a corner, I walk a little faster  
Pretending life is sweet  
'Cause love's around the corner, I walk a little faster  
Can't begin to see my future shine as yet  
No sign as yet, you're mine as yet  
Rushing to a face I can't define as yet  
Keep bumping into walls and taking lots of falls  
And even though I meet 'round each and every corner  
With nothing but disaster  
I set my chin a little higher, I hope a little longer  
Build a little stronger castle in the air  
And thinking you'll be there, I walk a little faster  
Can't begin to see my future shine as yet  
No sign as yet, you're mine as yet  
Rushing to a face I can't define as yet  
Keep bumping into walls and taking lots of falls  
And even though I meet 'round each and every corner  
With nothing but disaster  
I set my chin a little higher and I hope a little longer  
I build a little stronger castle in the air  
And thinking you'll be there, I walk a little faster
