

Rock the Dancehall

Alborosie

Reggae Music still around the dance-hall
Rub a dub music still around the dance hall
Reggae Music still around the dance-hall
Rub a dub music still around the dance hall

Rasta not a federal I and I not criminal
Situation mystical like Selassie burial
Natty dreadlocks artical, so lets keep it spiritual

This is undread Ital, I don't crush no chemical, som a talk say reggae music time is on funeral, Zion music rise again and still a yet the general, tell the haters and the fakers this a no reprisal, reggae music round the way its way beyond survival, reggae is a drug and tall like Gulliver the Giant, tuff like Tony Stark iron friendly just like the di ... its meditation zion its a riddim not appliance while like bounty and the alliance as a Golian Zion

Reggae Music still around the dance-hall
Rub a dub music still around the dance hall
Reggae Music still around the dance-hall
Rub a dub music still around the dance hall

Reggae words are political, pure brain nutritional, style straight original di flown and traditional di condition so clinical said its lyrical di symptoms are not typical its all and all digital
its not complicated di fans appreciate it dem sing along with passion and love de rock steady, the boys and the ladies a jump up like crazy as reggae deh pon the stage dem amazed by the dreadie.

Reggae Music still around the dance-hall
Rub a dub music still around the dance hall
Reggae Music still around the dance-hall
Rub a dub music still around the dance hall

Reggae Music still around the dance-hall
Rub a dub music still around the dance hall
Reggae Music still around the dance-hall
Rub a dub music still around the dance hall
