

On My Own

Ashes Remain

There's gotta be another way out
I've been stuck in a cage with my doubt.
I've tried forever getting out on my own
Every time I do this my way
I get caught in the lies of the enemy.
I lay my troubles down
I'm ready for you now. Bring me up
Come and find me in the dark now
Everyday by myself I'm breaking down,
I don't wanna fight alone anymore.
Bring me out
From the prison of my own pride
My God, I need a hope I can't deny.
In the end I'm realizing
I was never meant to fight on my own. Every little thing that I've known is everything I need to let go
You're so much bigger than the world I have made
So I surrender my soul, I'm reaching out for your hope.
I lay my weapons down
I'm ready for you now. Bring me out
Come and find me in the dark now
Everyday by myself I'm breaking down,
I don't wanna fight alone anymore.
Bring me out
From the prison of my own pride
My God, I need a hope I can't deny.
In the end I'm realizing
I was never meant to fight on my own. I don't wanna be incomplete
I remember what you said to me
I don't have to fight alone. Bring me out
Come and find me in the dark now
Everyday by myself I'm breaking down,
I don't wanna fight alone anymore.
Bring me out
From the prison of my own pride
My God, I need a hope I can't deny.
In the end I'm realizing
I was never meant to fight on my own.
