Throw Up/ Game Over

Mz. Champagne

[Hook]
My money does the bucking so bitch move over , throw up bundles of hundreds game over.
My money does the bucking so bitch move over , throw up bundles of hundreds game over.
Throwing up bundles of hundreds, game over
Throwing up bundles of hundreds, game over
My money does the bucking so bitch move over , throw up bundles of hundreds game over.[Verse 1]
Adhere to my gears and pier through the Vladimir leer to this bad bitch,
Baller with it pierced I prefer rap bitches with a tall glass of beer
Tear to these little bitches I stick them up like paps-mare raaah raaah,
I'm not to pretty to shit on itty bitty, I'm slapping bitches with a hundred fifty's,
I'm wilder than the Serengeti slicing bitches with machetes these pussy's squirting like I'm daddy.[Hook]
My money does the bucking so bitch move over , throw up bundles of hundreds game over.
My money does the bucking so bitch move over , throw up bundles of hundreds game over.
Throwing up bundles of hundreds, game over
Throwing up bundles of hundreds, game over
My money does the bucking so bitch move over , throw up bundles of hundreds game over.[Verse 2]
Pagne is insane in the brain I'll toss some dollars on ya dame
And that's watch your bitch do her thang, I'm beheading your man while my pockets on lean
Ream blowing stream addicted to this pussy like it's nicotine,
You bitches bouncing them checks like a trampoline while my
Net worth is like a mother fucking color scheme even my pussy
Got that bling bling, bitch go suck a ling ling I'm chopping heads a a Beijing's Peking.[Hook]
My money does the bucking so bitch move over , throw up bundles of hundreds game over.
My money does the bucking so bitch move over , throw up bundles of hundreds game over.
Throwing up bundles of hundreds, game over
Throwing up bundles of hundreds, game over
My money does the bucking so bitch move over , throw up bundles of hundreds game over.
