

# Mississippi Isabel

## King Charles

Found out about her  
Her name's Mississippi Isabel  
She grows wild strawberries  
She's made of ivoir and pearl.

To look at the universe  
She'd abandoned the world  
I go with her back to the darkness  
I'd give my life for this girl  
[Repeat x2]  
I rode around on my bicycle  
All the way in the rain  
She kissed me once I took her out for lunch  
And she never kissed me again

Her beauty knows no tick of time  
She's the song of the nightingale  
The torturer, the remedy and the tragedy  
In the passionate tale

And I begged for forgiveness for the way that I am  
And I hope she doesn't blame men for the inelegance of men

[Repeat x6]  
I rode around on my bicycle  
All the way in the rain  
She kissed me once I took her out for lunch  
And she never kissed me again
