I Will Be

Leona Lewis

There's nothing I could say to you
Nothing I could ever do to make you see
What you mean to meAll the pain, the tears I cried
Still you never said goodbye and now I know
How far you'd goAnd if I let you down
I'll turn it all around
This time I'll never let you goI will be, all that you want
And get myself together
'Cause you keep me from falling apartAll my life, I'll be with you forever
To get you through the day
And make everything OKI thought that I had everything
I didn't know what life could bring
But now I see, honestlyYou're the one thing I got right
The only one I let inside
Now I can breathe, cause you're here with meIf I let you down
I turned it all around
Cause I'll never let you goI will be, all that you want
And get myself together
'Cause you keep me from falling apartAnd all my life, Ill be with you forever
To get you through the day and make everything okayWithout you I can't breathe
I'm not gonna ever, ever let you leave
You're all I got, you're all I want, oh
'Cause without you I don't know what I'd do
I can never, ever live a day without you
Here with me, do you see you're all I need?And I will be, all that you want and get myself together
'Cause you keep me from falling apart
And all my life, I'll be with you forever
To get you through the day and make everything okayI will be all that you want and get myself together
'Cause you keep me from falling apart
And all my life, I'll be with you forever
To get you through the day and make everything okay
