

# Madman Across the Water (feat. Mick Ronson)

## Elton John

I can see very well  
There's a boat on the reef with a broken back  
And I can see it very well  
There's a joke and I know it very well  
It's one of those that I told you long ago  
Take my word I'm a madman, don't you knowOnce a fool had a good part in the play  
If it's so would I still be here today  
It's quite peculiar in a funny sort of way  
They think it's very funny everything I say  
Get a load of him, he's so insane  
You better get your coat dear  
It looks like rain, yeahWe'll come again next Thursday afternoon  
The in-laws hope they'll see you very soon  
But is it in your conscience that you're after  
Another glimpse of the madman across the waterI can see very well  
There's a boat on the reef with a broken back  
And I can see it very well  
There's a joke and I know it very well  
It's one of those that I told you long ago  
Take my word I'm a madman, don't you knowThe ground's a long way down but I need more  
Is the nightmare really black  
Or are the windows painted  
Will they come again next week  
Can my mind really take itWe'll come again next Thursday afternoon  
The in-laws hope they'll see you very soon  
But is it in your conscience that you're after  
Another glimpse of a madman across the water
