

# Misty Blue

[Cyndi Lauper](#)

Oh, it's been such a long long time  
Looks like I got you off of my mind  
Oh, but I can't, just the thought of you  
Turns my whole world misty blue Just the mention of your name  
Turns a flicker to a flame  
I think of the things we used to do  
And my whole world turns misty blue I should forget you  
Yeah, heaven knows I've tried  
When I said that I'm glad we're through  
My heart knows I've lied, oh Oh, it's been a long long time  
Looks like I got you off of my mind  
Oh, but I can't, just the thought of you  
Turns my whole world misty blue
