

Beware Of Darkness

Concrete Blonde

Watch out now, take care
Beware of fallen singers dropping all around you
The pain that often mingles in your fingertips
Beware of darkness Watch out, now, take care
And beware of thoughts that linger
Winding up inside your head
The hopelessness around you in the dead of night Beware of sadness
It can hit you, it can hurt you
Make you sore and what is more
That is not what you are here for Watch out, now, take care
And beware of softshoe shufflers
Dancing down the sideboards
As each unconscious sufferer wanders aimlessly
Beware of darkness
