

Yeh Yeh Yeh (Radio Mix)

Melanie C

Easier to let go
Give in to yourself tonight
Get on with the show
Expect me not to be so pure
Give me one for the road
Got a fever for sure Yeah yeah yeah, I'm on a mission
Yeah yeah yeah, if you're with me raise your hands
Yeah yeah yeah, got no inhibitions
It's our decision, we're gonna have a good time
Yeah yeah yeah, got a new religion
Yeah yeah yeah, gotta take me as I am
Yeah yeah yeah, I've got expectations
With gratification, we're gonna have a good time So when this thing is through
If you want to be with me
I'll be lookin for you
Feel the energy tonight
Feelin' the groove
I feel it spinnin' around, yeah Yeah yeah yeah, I'm on a mission
Yeah yeah yeah, if you're with me raise your hands
Yeah yeah yeah, got no inhibitions
It's our decision, we're gonna have a good time
Yeah yeah yeah, got a new religion
Yeah yeah yeah, gotta take me as I am
Yeah yeah yeah, I've got expectations
With gratification, we're gonna have a good time I got desire
I feel inspired
I want to go much higher
And baby I don't want to come down
All I want is to be excited
So come on, get united
No more need, to hide it
If you're really with me then come on and raise your hands Yeah yeah yeah, I'm on a mission
Yeah yeah yeah, if you're with me raise your hands
Yeah yeah yeah, got no inhibitions
It's our decision, we're gonna have a good time
Yeah yeah yeah, got a new religion
Yeah yeah yeah, gotta take me as I am
Yeah yeah yeah, I've got expectations
With gratification, we're gonna have a good time Gonna have a good time

Gonna have a good time

Yeah yeah yeah
