Klaxons

Magick without tears
Magick without tears
Magick without tears
The magical veneerThe way to mother noose
The way to suck an egg
The way to golden dawn
The way to Koh PhanganThe glitter on the snow
The place to always go
Do what you will
Do what you willThe glitter on the snow
The place to always go
Do what you will
Do what you willMagick without tears
Magick without tears
Magick without tears
The magical veneerThe way to mother noose
The way to suck an egg
The way to golden dawn
The way to Koh PhanganThe glitter on the snow
The place to always go
Do what you will
Do what you willThe glitter on the snow
The place to always go
Do what you will
Do what you willThe vision and the voice
The view from devil's tower
The snake with tail on tongue
The broken silver oneThe glitter on the snow
The place to always go
Do what you will
Do what you willMagick without tears
Magick without tears
Magick without tears
The magical veneer
