

# Getaway

## Dev

I wanna take this money, get out of town,  
Buy some time, we can make it somehow!  
Waiting for a dream to come around  
You know me better than that,  
Baby Iâ€™m not down, down, down!

I left a letter for my sister, and a bottle full of booze  
One day Iâ€™m gonna love you, too  
But for now Iâ€™m running oh,  
Iâ€™m running south, south, south!

You say you better have a way back home  
But I know they wonâ€™t forget my name back home  
Cause they know Iâ€™m running oh, Iâ€™m running south!

Can you see it on my face, small town girl, never knew my place  
So I got first and lined for the race,  
People telling me to let your dreams go to waste, waste, waste, waste  
But what are dreams if you never sleep?  
Now my dreams are life, and this life is sweet  
Trippinâ€™ in the lights, a piece of the pie  
I think I need a slice, slice, slice, slice

How can I be lost in the dark?  
I thought I was walking on stars,  
And even if I wanted took a stop  
I canâ€™t go back home, cause I came this far,  
So can you see it on my face, man?  
Are you amazed, the way I make magic in a wasteland  
Los Angeles, California  
I love you bitch, let me lick you and put a stamp upon you!  
A flower blooms, then a bug eats it  
I heard a rumor, should I feed it?  
I got a secret, can you keep it?  
Sh! Listen, listen, listen!
