What If I Loved You

[Joey Gian](#)

Oh, what if I loved you, and I gave it my all?
What if I told you, you're all I've waited for?
What if I held you tonight, and I made you feel oh so right?
What if I loved you, would you always be mine?What if I kissed you, the way you like to be kissed?
What if I held you in my arms, so close like this?
What if I touched you tonight, and I filled your body with delight?
What if I loved you, would you always be mine?Oh, what if I sang you a sweet lullaby?
What if I gave you a dozen stars that I pulled from the sky?
What if I told you tonight, I want to love you for the rest of your life?
What if I loved you, would you always be mine?What if I loved you, would you always be mine?
