

When You're Alone (From "Hook")

John Williams

When you're all alone
Far away from home
There's a gift the angel sent
When you're alone Everyday must end
But the night's our friend
Angels always send a star
When you're alone At night when I'm alone
I lie awake and wonder
Which of them belongs to me
Which one I wonder? And any star I choose
Watches over me
So I know I'm not alone
When I'm here on my own Isn't that a wonder?
When you're alone
You're not alone
Not really alone The stars are all my friends
Till the night time ends
So I know I'm not alone
When I'm here on my own Isn't that a wonder?
When you're alone
You're not alone
Not really alone
