## Voices

## **Alice In Chains**

Who am I, is this me?

Am I one or thirteen? I've gone cold, hard to deal

Used to stand where I kneelEverybody listen

Voices in my head

Everybody listen

Does yours say what mine says?I want more, than I need

I don't know what is realEverybody listen

Voices in my head

Everybody listen

Does yours say what mine says?

Anytime I listen

Voices in my head

Everybody listen

Does yours say what mine says? Whispering of names, faces

Uniforms I've worn

And all that is gone

Always climbing

To fall down again

Holding onto everything

It's not what it seems I've been told, dreaming's free

Think I'll go back to sleepEverybody listen

Voices in my head

Everybody listen

Does yours say what mine says?

Anytime I listen

Voices in my head

Everybody listen

Does yours say what mine says? Calling out the names, faces

Uniforms I've worn

And all that is gone

Always climbing

To fall down again

Holding onto everything

It's not what it seems
