The Door

House Rulez

As the rain falls from Heaven, I'm lost in Your love
You're overwhelming, Jesus
And we're walking together holding hands
Oh, it's just You and me, Jesus
Life is good hear, fruit is growing
On the beautiful branches
There is rest and there is peace
Inside the shade of Your garden
Jesus, You're the only one for me
There's no way I'm leaving You
You're the love, the way, the life, the truth
You're the door I'm walking through
Yeah, angels are lifting songs of praise
Oh, they're just singing Your story
And nothing can take me away from this place
Lord, I'm just lost in Your glory
Your love is the reason that I am free
And I'm running to You 'cause You're all I need
Jesus, You're the only one for me
There's no way I'm leaving You
You're the love, the way, the life, the truth
You're the door I'm walking through
You're the only one for me
There's no way I'm leaving You
You're the love, the way, the life, the truth
You're the door I'm walking through
And Jesus, You're the only one for me
There's no way I'm leaving You, hey
As the rain falls from Heaven, I'm lost in Your love
You're overwhelming, Jesus
You're the only one for me
There's no way I'm leaving You
You're the love, the way, the life, the truth
You're the door I'm walking through
Jesus, You're the only one for me
There's no way I'm leaving You
