

Statue of Liberty

XTC

The first time I saw you standing in the water
You must have been all of a thousand feet tall
Nearly naked, unashamed like Herod's daughter

Your love was so big, it made New York look small
You've been the subject of so many dreams

Since I climbed your torso

Oh, my statue of Liberty
Boo boo, Impaled on your hair

What do you do, do, do to me

Boo boo I leaned right over to kiss your stoney book

A little jealous of the ships with whom you flirt

A billion lovers with their cameras

Snap to look, and in my fantasy I sail beneath your skirt
