

# Can't Let You Go (feat. Bow Wow And Pleasure P)

Chris Brown

I'm the type of guy to supersize your life and turn it all around  
Up and down, round and round, with me theres no backing down.

So take some time to get to know me, i aint acting phoney

Hop inside my ship and we can take off.

And i just wanna keep your heart from getting colder,  
Whenever you get down i say ill be here like i told ya.

Valenciaga Shoes or Luie shoes up on your shoulder

Would you like. . .

To be treated like a princess, girl you wear the crown  
You can lay up on my headrest, while i take you down.

Girl let me let me give it to you, let me do it now

You the baddest thing i've seen baby and baby girl you make me proud. You make me wanna be your man

I do the best that i can.

Pleasure P, My Nigga Bow,

Know what i'm talking bout.(Chorus)

Baby im on you like a tatoo

Seat ya im my classroom,

He's not me, we are not the same

And if i could see your face then
