

# Last Caress

## Misfits

I got something to say  
And I killed a baby today  
And it doesn't matter much to me  
As long as it's dead Well I got something to say  
I raped your mother today  
And it doesn't matter much to me  
As long as she spread Sweet lovely death  
I am waiting for your breath  
Come sweet death, one last caress  
Go Sweet lovely death  
I am waiting for your breath  
Come sweet death, one last caress Well, I got something to say  
I killed your baby today  
And it doesn't matter much to me  
As long as it's dead Sweet lovely death  
I am waiting for your breath  
Come sweet death, one last caress One last caress, sweet death  
One last caress, sweet death
