Lover's Lie

Veda

Where'd you go?
The leaves, they move too fast.
I was lost, looking for your face.
Did you go to catch the lovers lie?
or to move the stars and put them in place?Is there ever a dream of mine you, you haven't heard?
I'll keep running ahead of the race,
To hope I put that sparkle in your eye.Did you know, when you move I breathe?
I'd take blind destiny over empty space
as my friends slowly fade into ghosts
I hold on tighter, struggle for demandsIs there ever a dream of mine
you, you haven't heard?
I'll keep running ahead of the race
to hope, I put a sparkle in your eye
(sparkle in your eyeeeee)
