Mule Headed Man

Marcia Ball

Lord my man is stubborn, you can't tell him anything
Lord my man is stubborn, you can't tell him anything
He's got a strong opinion
On any subject you can bringHe likes to drink his whiskey even though it's killing him
Yeah he drinks his whiskey and he knows it's killing him
You can't make him quit it
He'd rather have his whiskey than liveHe's a mule headed man, he does what he wants to do
He's a mule headed man, he does just what he wants to do
Right or wrong don't matter
He's the one that makes the rules
I love the way he loves me, that's the thing he does the best
I love the way he loves me, that's the thing he does the best
He puts his mind on his business
And forgets about all the rest
