

The Night Is Yours - The Night Is Mine

Modern Talking

The night is yours, the night is mine
I beg you, baby, take your time
It's like paradise
See your magic eyes
Feel the need in me The night is yours, the night is mine
I beg you, baby, take your time
Heaven in your eyes
Takes me to the sky
I'm in love with you Love takes time, it's hard to find that's true
Not a game you play, a night or two
Take my heart, let's make it real tonight
We'll be dancin' to the pale moonlight Your dreams are real today
And now you gonna stay The night is yours, the night is mine
I beg you, baby, take your time
It's like paradise
See your magic eyes
Feel the need in me The night is yours, the night is mine
I beg you, baby, take your time
Heaven in your eyes
Takes me to the sky
I'm in love with you I will try to make your dreams come true
Trust me baby, nothing else will do
There's no need for you to be so cool
Love takes time just like the golden rule Your dreams are real today
And now they're gonna stay The night is yours, the night is mine
I beg you, baby, take your time
It's like paradise
See your magic eyes
Feel the need in me The night is yours, the night is mine
I beg you, baby, take your time
Heaven in your eyes
Takes me to the sky
I'm in love with you Girl, when I see your smile
Imaginations running wild
Love makes me feel all right
Help me through the night Sometimes you're weak
Sometimes you're wild
You're a woman, you're a child
Love makes me feel all right, tonight The night is yours, the night is mine

I beg you, baby, take your time
It's like paradise
See your magic eyes
Feel the need in me The night is yours, the night is mine
I beg you, baby, take your time
Heaven in your eyes
Takes me to the sky
I'm in love with you
