Sensing Owls

JosÃ‰ GonzÃ•lez

You're not using a designated driver
To show you around
The folders are a bit too ordered
The sailors seem a bit to bored
Mountain tops seem nice from a distance

[Chorus:]
Rough and not so smooth
So these streets have been walked upon for centuries
I'm sensing owls aren't you?
Aren't you?

You're not using a designated driver
To show you around
The folders are a bit too ordered
The sailors seem a bit to bored
Mountain tops seem nice from a distance

[Chorus]

Come on come out from where ever you are
