

I've Done It Again

[Aaron Neville](#)

Once again,
Here am I wrapped up in a dream, I'm about to lose my mind
Over you, I've done it againOnce again,
I sit alone wondering and worrying all night long
Over you, I've done it againI've been in love before
I've been hurt before
I thought I was through with being a fool
But I ended in the same shoes once moreOnce again,
I sit alone wondering and worrying all night long
Over you, I've done it again
