

Tishialuk Girls Set

Great Big Sea

Tishialuk girls are neat and tidy, Tishialuk girls it won't last long,
Tishialuk girls they will be useful when Sam Cove is dead and gone.
Aunt Rae wants me to wed her daughter, takes me from my heart's delight,
Give me a girl from down in Tishialuk , shines in the eyes like diamonds bright.
Tishialuk girls are neat and tidy, Tishialuk girls it won't last long,
Tishialuk girls they will be useful when Sam Cove is dead and gone.
