

If It Wasn't for the Women

[Alix Dobkin](#)

If it wasn't for the women, women
We would not be living, living
We would not be joyful, singing
Loving and beloved, women

Descant #1

If it wasn't for the women, what would we do?
We wouldn't have health or strength or beauty
We wouldn't have a home, we wouldn't have food
If it wasn't for the work of the women

Descant #2

If it wasn't for the women, what would we do?
We wouldn't have art or crafts or music
We wouldn't have love, we wouldn't have truth
If it wasn't for the work of the women
