Gorgeous

Aj Mclean

Hey, you're beautiful and I don't mind You know I wanted you for such a long time Don't think I don't notice your wondering eyes Keep the options open for a sexier guy You're in love with yourself, don't want anyone else To be caught with you in the spotlight Girl I know I'm the best I can beat all the rest But you can't see that Don't you know I'm gorgeous Sexier than anything, Gorgeous, So much more that I can be You can't see it Don't you know I'm gorgeous I love myself more than I love you Baby I know it's hard to understand That all this sexy brings the freaky beast in me, Don't think I don't notice when you open your thighs That they were made for a sexy guy You're in love with yourself, don't want anyone else

To be caught with you in the spotlight And I know I'm the best I can beat all the rest But you can't see that Don't you know I'm gorgeous Sexier than anything, Gorgeous, So much more that I can be You can't see it Don't you know I'm gorgeous I love myself more than I love you Unlike no other I'll do you right Unlike your mother your pussy is tight I'm gorgeous Sexier than anything, Gorgeous, So much more that I can bring You can't see it Don't you know I'm gorgeous

I love myself more than I love you Love myself love myself more than I love you I'm so Gorgeous
