Final Solution

Peter Murphy

The girls won't touch me 'cos I got a misdirection
Living at night isn't helping my complexion
The signs, all are saying it's a social infection
A little bit of fun's never been an insurrectionWell, mamma threw me out till I get some pants that fit
She just won't approve of my strange kind of wit
I get so excited, always gotta lose
Man that send me off, let them take the cureDon't need a cure
Don't need a cure
Don't need a cure
Need a final solutionDon't need a cure
Don't need a cure
Don't need a cure
Need a final solutionBuy me a ticket to a sonic reduction
Guitars gonna sound like a nuclear destruction
Seems I'm a victim of natural selection
Meet me on the other side, another directionDon't need a cure
Don't need a cure
Don't need a cure
Need a final solutionDon't need a cure
Don't need a cure
Don't need a cure
Need a final solutionSolution
