

Mannish Boy

Jimi Hendrix

Mamma
Mamma hasn't take one
Oh ooo yeah
Whoo ooh ooh yeah
Yeah Every thing's gonna be alright this mornin'
Now bust it Ow wah
Wow wowwa wowwa Hey
When I was a young boy
While about at the edge of fire, I think
I had a seartin' kinda problem
People along the vocal line
Now I'm a man, I made 21
You now baby, we'll have a whole lot of fun
'Cause I'm a man, spendin'
Hey child, little boy
Guess where I am
Amm a Diddy diddy
Diddy diddy Hey
All you pretty woman
Standin' around
I'll make love to you
All this time
I'm not sure
You'll never miss
The way I make love
Miss Harris
'Cause I'm a man
I swear I'm the only
Oh me
Little child, now
Oh me
Little child
Anna na na na Doodoodoo doody
Doodoodoo doody
Whoo Uh uh an uh uhha 'Cause I'm a man Yeah 'Cause I'm a mannish child
I said I'm a mad villain
I said I'm a man babe
I said I'm a man
Yeah baby Yeah I'm goin' down south

To Kansas too
I'm going to bring back my second cousin
Little John, we call him blue
'Cause I'm a man
What fun we had
Chasin' rabbits
In the sand
Hey hey hey
Hey!
