Overwhelmed (feat. Chris Elliott)

Doug & Deb

Every good and perfect thing,
Your love and Your life brings us
a joy, too hard to comprehend.

When I stop, to consider,
how You freed us as our Savior,
all to give a way to share forever.

Iâ€™m overwhelmed,
canâ€™t understand.
Iâ€™m overwhelmed by the love You showed me
when Your body was broken for mine.
When I stop to think, Iâ€™m overwhelmed.

Every good and perfect thing,
Your love and Your life brings us
a joy, too hard to comprehend.

When I stop, to consider,
how You freed us as our Savior,
all to give a way to share forever.

Iâ€™m overwhelmed, by Your unending love.
Iâ€™m overwhelmed. Lord, I sing Your praise.
Overwhelmed by all Youâ€™ve done.

Weâ€™re overwhelmed, canâ€™t understand.
Weâ€™re overwhelmed, by the love You showed us
when Your body was broken for ours.
When we stop to think, weâ€™re overwhelmed.
