Say It Right (John Rous Bootleg)

Nelly Furtado

In the day
In the night
Say it right
Say it all
You either got it
Or you don't
You either stand or you fall
When your will is broken
When it slips from your hand
When there's no time for joking
There's a hole in the planOh you don't mean nothing at all to me
No you don't mean nothing at all to me
But you got what it takes to set me free
Oh you could mean everything to meI can't say that, I'm not lost and at fault
I can't say that, I don't love the light and the dark
I can't say that, I don't know that I am alive
And all of what I feel I could show
You tonight you tonightOh you don't mean nothing at all to me
No you don't mean nothing at all to me
But you got what it takes to set me free
Oh you could mean everything to me
