BifrÃ¶st

I've been waiting for you
I've waited far too longDo you want to come? Do you want to come?
Do you want to come with me?
Do you want to come? Do you want to come?
Do you want to come with me now?And this is my storyMy face, the picture's changed
Do you remember me?
Now I'm fighting to breathe
It's been such a long timeDo you want to come? Do you want to come?
Do you want to come with me?
Do you want to come? Do you want to come?
Do you want to come with me now?Nothing here for me nowI can't believe the noise
We'll take this place apart
And I won't be here for long
I know, they'll find me soonDo you want to come? Do you want to come?
Do you want to come with me?
Do you want to come? Do you want to come?
Do you want to come?I'll question everything
I'll trade new dreams for oldI've been waiting for you
I've waited far too long
I've been waiting for you
I've waited far too longDo you want to come? Do you want to come?
Do you want to come? Do you want to come?
Do you want to come? Do you want to come?
Do you want to come? Do you want to come?I'm waiting, I'm waiting for youDo you want to come? Do you want to come?
Do you want to come with me?
Do you want to come? Do you want to come?
Do you want to come with me now?But now the weakness comesAnd I'll question everything
I'll trade new dreams for old
And I've been waiting for you
I've waited far too longDo you want to come? Do you want to come?
Do you want to come with me?
Do you want to come? Do you want to come?
Do you want to come with me now?I've been waiting for you
I've waited far too long
I've been waiting for you
I've waited far too longDo you want to come? Do you want to come?
Do you want to come with me?
Do you want to come? Do you want to come?

Do you want to come?
