Runaway

Olly Murs

Butterflies inside, freaking me out
I should be walking away but I'm pinned to the ground
I can't get free, no-one's saving me
Walking in the water, seeing what I can find
Before I even knew it I was caught on the line (Yeah)
You pulled me in, you got under my skin
Every part of my body's telling me to go
Telling me to get out
Every part of my bodies saying I should be gone
But I'm still here
I can't run away, it's a losing game
I can't fight it (fight it)
You want me and I like it
So I put my hands up
I got a white flag flying
Only you can knock me out
I can't fight it (fight it)
You want me and I like it
It's the first time in forever that I've been so scared
You just five foot six, blue eyes, blonde hair
And I see your face
There's no breathing space
In my life
You stop deep inside
Take me home
Then I can go

I can't run away, it's a losing game
I can't fight it (fight it)
You want me and I like it
So I put my hands up
I got a white flag flying
Only you can knock me out
I can't fight it (fight it)
You want me and I like it
Oh I can't fight it
No I can't fight it
Every part of my body's telling me to go
Telling me to get out

Every part of my bodies saying I should be gone
But I'm still here
I can't run away, it's a losing game
I can't fight it (fight it)
You want me and I like it
So I put my hands up
I got a white flag flying
Only you can knock me out
I can't fight it (fight it)
You want me and I like it
I can't fight it
Oh no I can't fight it
