

# I Never Loved A Man (the Way I Love You)

Roxette

You're no good, heartbreaker  
You're a liar and you're a cheat  
I don't know why I let you do these things to me  
My friends keep telling me you're no good  
But they don't know that I'd leave you if I could  
I guess I'm uptight but I'm stuck like glue  
Cause I never, I never,  
I never, no no loved a man the way that i, I love you  
Some time ago I thought you should run out of fools  
But I was so wrong you've got one you'll never lose  
The way you treat me is a shame,  
How could you hurt me so bad?  
Baby you know that I'm the best thing that you ever had  
Kiss me once again don't you never say that we're through

Cause I never, I never,  
I never, no no, loved a man the way that I love you...  
I can't sleep at night and I can't eat a bite  
I guess ill never be free since I've got your hooks in me  
I never loved a man the way that I love you  
You're no good, heartbreaker  
You're a liar and you're a cheat  
I don't know why I let you do these things to me  
My friends keep telling me you're no good  
But they don't know that I'd leave you if I could...  
Kiss me once again don't you never say that we're through  
Cause I never, I never,  
I never, no no, loved a man the way that I love you...
