A Hard Day's Night

[Sugarcult](#)

[Originally by The Beatles]It's been a hard day's night
And I've been working like a dog
It's been a hard day's night
I should be sleeping like a logBut when I get home to you
I find the things that you do
Will make me feel all rightYou know I work all day
To get you money to buy you things
And it's worth it just to hear you say
You're gonna give me everythingSo why I love to come home
Cause when I get you alone
You know I feel okayWhen I'm home
Everything seems to be all right
When I'm home
Feeling you holding me tight, tight, yeahIt's been a hard day's night
And I've been working like a dog
It's been a hard day's night
I should be sleeping like a logBut when I get home to you
I find the things that you do
Will make me feel all rightSo why I love to come home
Cause when I get you alone
You know I feel okayWhen I'm home
Everything seems to be all right
When I'm home
Feeling you holding me tight, tight, yeahIt's been a hard day's night
And I've been working like a dog
It's been a hard day's night
I should be sleeping like a logBut when I get home to you
I find the things that you do
Will make me feel all right
You know I feel all right
Feel all right
