

Energy Dome

[Snapcase](#)

can you... feel your heartbeat, are you living? your mind is unsung because you're not driven you need to rise up and personalize your existence you need to wake up and activate the dreams of your soul idle, revolt, hero, your hero is yourself they'll break you in, they'll break you down and leave you down with nothing you lose yourself and learn from them whatever they wish to teach you you need to rise up and revolutionize your thinking you need to wake up and activate the dreams of your soul idle, revolt, hero, your hero is yourself you know you're dead and it's you your deceiving you need to find a way, to yourself, find a way, to make yourself live, to make yourself live you need to rise up and revolutionize your thinking you need to wake up and activate the dreams of your soul you need to find a way to make yourself live
